DEATH BENEFIT

PAYMENT. We will pay the Death Benefit in one lump sum payment, from Our Home Office, in not more than 30 days from the date We receive:

- 1. due proof of the death of the Insured while this contract was in force; and
- 2. a statement of claim from the Beneficiary; and
- 3. this contract.

The amount paid will be:

- 1. the Face Amount then in force; plus
- 2. the amount of any life insurance benefit provided for the Insured by a Rider; plus
- 3. any dividend additions or accumulation; less
- 4. any Debt.

During the continuance of the premium paying period, We will add a pro-rata refund of any premium paid beyond the contract month in which death occurs. Should death occur during the Grace Period for payment of a due premium, We will deduct premium for a period of one month from the Death Benefit for: (1) the basic whole life insurance benefit provided by this contract; and (2) any included Rider which provides life insurance benefits for the Insured.

Payment will be in equal shares when the designation of Beneficiary does not state the share of two or more Beneficiaries. To the extent permitted by law, payment will not be subject to the claims of creditors.

INTEREST. We will add interest, at the rate We then pay, to the Death Benefit from the date of the Insured's death to the date of payment. The rate will not be less than 4.5% per year or such higher rate required by state law.

SUICIDE. Should the death of the Insured result from suicide, within a period of two years from the Date of Issue, the Death Benefit will be:

- 1. the sum of the premiums paid for this contract, less
- 2. any dividend paid in cash; less
- 3. any Debt.

OPTION. In lieu of a single lump sum payment at death of the Insured, the Beneficiary may select from other payment options offered by Us.

DIVIDENDS

Each year, we will review Our divisible surplus to determine the share, if any, to credit to this contract as a dividend. Any dividend will be credited on the Anniversary that first follows the end of the contract year of determination; provided, any premiums due in that year have been paid.

You, by Notice, may choose or change one of the following options. Any change will apply only to dividends credited after the Notice date. If You do not choose an option within 60 days from the date We send notice of dividend, the dividend will be credited under option 3.

Option 1 – Cash. The dividend will be paid to You in cash.

Option 2 – Premium Reduction. The dividend will be applied to pay or reduce the premium due on or first following the Anniversary on which it was credited. Any excess will be paid to You in cash. Any premium balance must be paid prior to the end of the premium Grace Period. If not paid, the dividend will be paid to You in cash.

Option 3 – Additions. The dividend will be applied as a net single premium to buy participating, paid-up, whole life insurance for the Insured. The amount of paid-up insurance will be determined: (1) at the sex and then Age of the Insured; (2) at the Premium Class shown on page 3; and (3) using Our then table of net single premium rates. The cash value of the additions, at any time, will not be less than the greater of: (1) the then net single premium for the additions; or (2) the sum of the dividends used to purchase the additions.

Option 4 – Accumulate. We will place the dividend on deposit at annual, compound, interest. The interest rate will not be less than 3.0% per year. Interest will be credited each year on the Anniversary date.

You may withdraw all or part of the cash value of any additions or accumulation at any time. Any portion of the cash value used as security for Debt may not be withdrawn; however, if You so request, it may be applied to reduce the Debt. Interest, from the immediately prior Anniversary to the withdrawal date, will be added to amounts withdrawn at a rate of not less than 3.0% per year.

PREMIUMS

The first premium is due on the Date of Issue. Each premium after the first is due on the first day of each premium period thereafter. We, on request, will provide a receipt for each premium paid. The receipt will be signed by one of Our executive officers, and must be signed by the person receiving the payment. Premiums may be paid:

- 1. at Our Home Office; or
- 2. to Our authorized representative in exchange for a receipt.

GRACE PERIOD. We will provide a Grace Period of 31 days for the payment of each due premium after the first. This contract and any attached Rider will continue in force during a Grace Period. In the event of the death of the Insured during a Grace Period, We will deduct premium for a period of one month from the Death Benefit. The amount deducted will include premium for: (1) the basic whole life insurance benefit provided by this contract; and (2) any attached Rider which provides a life insurance benefit for the Insured.

At the end of a Grace Period, this contract will terminate as of the premium due date; except, as may be provided in its nonforfeiture provisions.

MODE CHANGE. You may change the mode for premium payment to any mode available at the time of Your request.

REINSTATEMENT. In the event of the lapse or continuation of this contract under a nonforfeiture option. We will reinstate this contract:

- 1. during the lifetime of the Insured;
- 2. during a period of 5 years from the date of the first past due premium;
- 3. upon receipt of satisfactory proof of the insurability of the Insured;
- 4. upon payment of all past due premiums with compound interest on each at a rate of 6.0% per year from the date due to the reinstatement date; and
- 5. upon payment or reinstatement of any Debt, at the time of lapse or continuation, with compound interest at a rate of 6.0% per year from the date of the first past due premium to the date of reinstatement.

We will not reinstate this contract after it has been surrendered for its Cash Value.

SUSPENSION OR EXPULSION. Should We suspend or expel the Insured from membership, You may continue this contract in force; except, when suspension or expulsion results from:

- 1. non-payment of a due premium; or
- 2. Our termination of this contract, during its contestable period, for a material misstatement in the Application.

AUTOMATIC PREMIUM LOAN OPTION. This option, if elected, will be effective for premiums due in and after the contract year in which a Loan Value is first available. At any time, by Notice, you may elect or terminate this option.

Any due premium not paid by the end of its Grace Period will be paid automatically by Loan. The premium due date will be the Loan date. Premiums will be so paid provided the Loan Value is sufficient to provide one day's insurance at the rate for this contract. Such Loans will be considered and treated the same as any other Loan.

We may change the premium mode to annual on any Anniversary when: (1) the then premium mode is other than annual; and (2) the then due premium is to be paid by this option.

NONFORFEITURE

You may choose one of the options which follow:

- 1. when a due premium is not paid by the end of its Grace Period;
- 2. this contract then has a Cash Value; and
- 3. by Notice, within 60 days from the date of the first past due premium.

Insurance continued under an option will not include any benefit provided by a Rider unless nonforfeiture benefits are specifically provided by the Rider.

OPTION A – CASH VALUE. We will pay the then Cash Value of this contract to You. Return of this contract is required. The Cash Value will be:

- 1. the Cash Value as determined from the table on page 4, on the date of the first past due premium; plus
- 2. the then cash value of any dividend additions or accumulation; less
- 3. any Debt.

In the 31 days after an Anniversary or premium due date, the Cash Value, after adjustment for any Loan or dividends withdrawn after that day, will be not less than it was on that anniversary day.

At any time while this contract is in full force and effect, you may surrender this contract for its then Cash Value. The Cash Value will be:

- 1. the cash value, as determined from the table on page 4, at the end of the contract month in which We receive Your surrender request and this contract; plus
- 2. the then cash value of any dividend additions or accumulation; plus
- 3. a pro-rata refund of any due premium paid beyond the end of such contract month; less
- 4. any Debt.

We may defer payment for a period not to exceed 6 months from the date We receive Your request. If payment is deferred for more than 10 days, We will add interest to the deferred amount at a rate of not less than 4.5% per year or such higher rate required by state law.

OPTION B – EXTENDED TERM INSURANCE. This option is not available when:

- 1. the Premium Class shown on page 3 is other than Preferred or Standard; or
- 2. the amount of paid-up insurance under Option C is equal to or greater than the amount of insurance under this option.

We will continue this contract as nonparticipating extended term life insurance. The amount will be:

- 1. the Face Amount on the date of the first past due premium; plus
- 2. the then amount of any dividend additions or accumulation; less
- 3. any Debt.

The period of extended term life insurance will:

- 1. begin on the date of the first past due premium; and
- 2. be as provided by the Cash Value when applied as a net single premium: (1) at the Insured's sex and then Age; and (2) using Our then table of such net single premium rates.

You may surrender the extended term life insurance for its then cash value at any time during the period. The cash value will be the net single premium for the unexpired benefits. The table used in determining the period will be used to determine the cash value. We will provide a table of cash values on request. In the 31 days after an Anniversary, the cash value will be not less than it was on that anniversary day. This contract will terminate without value at the end of the period.

OPTION C – PAID-UP INSURANCE. We will continue this contract as participating, paid-up whole life insurance:

- 1. from the date of the first past due premium; and
- 2. payable as provided in this contract.

The amount of paid-up whole life insurance will be as provided by the Cash Value on the date of the first past due premium, when applied as a net single premium: (1) at the Insured's sex and then Age; and (2) using Our table of such net single premium rates. Any Cash Value in excess of the amount required to continue this contract as paid-up for its then Face Amount will be applied, as a dividend, to purchase a dividend additions to the paid-up insurance.

You may make a Loan, as provided in this contract, using the paid-up insurance as the sole security for the Loan. The Loan Value will be:

- 1. the net single premium for the paid-up insurance on the Anniversary which first follows the Loan date; plus
- 2. the cash value of any then dividend additions or accumulation; less
- 3. an amount equal to the Loan Interest that will be due on that Anniversary.

You may surrender the paid-up insurance for its then cash value at any time. The cash value will be:

- 1. the then net single premium for the unexpired benefit determined from the table used to determine the paid-up amount; plus
- 2. the cash value of any dividend additions or accumulation; less
- 3. any Debt.

We will provide a table of cash values on request. The cash value in the 31 days following an Anniversary, after adjustment for any Loan or dividends withdrawn after that day, will be not less than it was on that anniversary day.

AUTOMATIC OPTION. If You do not choose an option within the 60 day period provided, the automatic option will be:

- 1. Option B when: (1) the Premium Class shown on page 3 is either Preferred or Standard; and (2) the amount of insurance under this option is greater than that for Option C; or
- 2. Option C when: (1) the Premium Class shown on page 3 is other than Preferred or Standard; or (2) the amount of insurance under this option is equal to or greater than that for Option B.

ACTUARIAL BASIS. Nonforfeiture values are based on: (1) the mortality table and interest rate shown on page 4; (2) age at near birthday; and (3) continuous functions. On any Anniversary, the cash value of the basic whole life insurance benefit is equal to: (1) the present value of the future benefits; less (2) the present value of future nonforfeiture factors. A statement including the basis for calculations for this contract has been filed in the State where this contract was delivered. The nonforfeiture values are not less than as may be required by law in that State.

LOANS

This contract will be the sole security for a Loan. You may make a Loan at any time: (1) while this contract is in full force and effect; (2) after this contract first has a Loan Value; and (3) by assignment of this contract to Us. A Loan may not exceed the contract Loan Value. Any prior Debt will be included in and made a part of a new Loan.

LOAN VALUE. The Loan Value will be:

- 1. the cash value of this contract as determined from the table on page 4, as of its premium paid-to date but not beyond the next anniversary; plus
- 2. the cash value of any dividend additions or accumulation; less
- 3. an amount equal to Loan Interest from the Loan date to the next Anniversary.

LOAN INTEREST. A Loan will bear annual accrual interest at a compound rate of 8.0% per year. Interest will be due each year on the contract Anniversary. Interest due on the Anniversary first following the Loan date will be determined from the Loan date. If not paid when due, the Interest will be added to the Debt and become a part thereof.

DEFERRAL. We may defer granting a Loan for a period not to exceed 6 months from the date We receive Your Loan request. Loan Interest will not be charged during a deferral period. We will not defer a Loan made solely for payment of a premium due Us.

REPAYMENT. Debt may be repaid at any time: (1) during the lifetime of the Insured; and (2) while this contract is in full force and effect. Payment may be in whole or in part. Debt will be repaid automatically as a part of the payment of any Death Benefit or any settlement of this contract.

TERMINATION. We may terminate this contract when Debt equals or exceeds:

- 1. the contract cash value determined from the table on page 4; plus
- 2. the cash value of any dividend additions or accumulation.

We will send notice of any such termination to You and any assignee of record at Our last address of record and not less than 30 days prior to the termination date. The notice will include the minimum payment amount required to continue this contract in force.

THE CONTRACT

ENTIRE CONTRACT. The entire contract, between You and Us, will consist of:

- 1. this contract, including the attached copy of the Application;
- 2. any later attached copy of an application for: reinstatement, addition of a Rider or contract change;

- 1. as provided by the premium paid at the correct date of birth or sex; and
- 2. determined from the rate table used for this contract on its Date of Issue.

MAINTENANCE OF SOLVENCY. We may not change the benefits or premium for this contract. Should an emergency arise which will impair Our solvency, We will determine a fair share of the deficiency, if any, for this contract, in accordance with applicable law. You will not be personally responsible for the share as the share will be against the equity of this contract.

You may pay the share of the deficiency in cash. If not paid, the share will:

- 1. stand as a lien against this contract;
- 2. bear compound interest at an annual rate of not more than 5.0% per year; and
- 3. be deducted from any benefit payable.
